FOR IMMEDIATE RELEASE

**BIOMATRIX FAMILY OF COMPANIES EXPANDS WITH ACQUISITION OF
ELWYN PHARMACY GROUP**

**Purchase Doubles Company Size And Adds Therapeutic
Categories To Portfolio Of Services**

Weston, FL – November 8, 2017 – [BioMatrix SpRx](#), a growing leader in the specialty pharmacy industry, today announced the acquisition of [Elwyn Pharmacy Group](#) in Garnet Valley, Pennsylvania, 30 miles southwest of Philadelphia.

BioMatrix offers comprehensive nationwide specialty pharmacy services and digital health technology solutions for a range of chronic health conditions. The growing family of companies unites leaders in the specialty pharmacy industry to improve health and empower patients to experience a higher quality of life. BioMatrix excels in providing services for hemophilia and bleeding disorders, transplant therapy, IVIg and specialty care, and digital health technology.

Elwyn Pharmacy Group provides medications and supportive services for patients living with hard to treat disease states with the goal of achieving optimal patient outcomes. This is realized through compliance and individualized therapy management in an environment that maximizes patient satisfaction and adherence. Elwyn's expertise in neurological and auto-immune disorders, fertility, oncology, and other chronic conditions has made them a leader in the specialty pharmacy industry.

As a result of this transaction, BioMatrix has expanded their services into complementary therapeutic categories requiring the same high-touch services they are accustomed to providing. BioMatrix's national footprint increases to 11 pharmacy locations, nationwide, in key metropolitan locations. Elwyn joins the rapidly growing family of companies that comprise

BioMatrix including Matrix Health Group, Factor Support Network, Medex BioCare, and BiologicTx.

“The acquisition of Elwyn Pharmacy Group complements our strategy of bringing together leaders in the specialty pharmacy industry to provide comprehensive, compassionate care to patients living with complex, chronic diseases, “stated Bruce Greenberg, Chief Executive Officer, BioMatrix SpRx. “We are pleased to welcome Elwyn and their experienced staff to the BioMatrix family.”

“BioMatrix and Elwyn share very similar values. The success of both companies is rooted in our collaborative, compassionate patient-centered approach,” stated Nicholas Karalis, Chief Executive Officer, Elwyn Pharmacy Group. “Together, we expand our ability to provide a high level of individualized, focused care to patients living with a chronic condition. We are extremely excited to be part of this larger organization.”

Additional information on BioMatrix and Elwyn can be found at www.biomatrixsprx.com and www.elwynspecialtycare.com, respectively.
